## moving and storage

"THE SMOOTHER MOVER"

### Crating Service

**"Manufacturers of crates/Boxes for the Moving Industry"**

Dear Operations Manager, / Customer

Johnson's Moving and Storage also manufactures all sorts of wooden containers. We specialize in producing container for the United States State Department in overseas shipping. We also manufacture two types of storage vaults generally used by moving companies.

Johnson Moving and Storage crating service is located, just a few miles south of the capital beltway in Prince Georges county, Maryland Our crating was created to meet the needs of local moving companies as well as the general public That have a need for this type of product. The commitment to quality and service at a fair price is a paramount attribute of Johnson's.

### **Why Buy From Johnson's Crating Service**

1). **Proximity to your company:** As I mentioned above, we are only a few miles form your company location. This enables us to better serve you at the most favorable price.

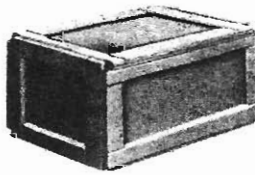

2). **You save money by not overbuying.** We understand that in the absence of Johnson 's Carting service, you would have to go south to purchase your container. Thus, you buy more than is necessary and occupy valuable storage space. At Johnson's crating service we are willing to sell only as many container as you need.

3). **Better Price at Johnson crating service:** the price does not include freight. Johnson's crating service closely monitor the wholesale price of lumber on a daily bases, region by region in order for us to buy at the best possible price and pass these savings on to our customers.
